Pathways and Pizza with SOCC

Southwestern Oregon Community College offers lots of ways to get a good paying job without a lot of classes. Representatives from SWOCC will be in the Heritage Hall from during lunch on March 14th to give you the details. Stop by for advising and a slice of pizza.

GIRLS BASKETBALL

Congratulations to the 2017 Far West League Girls Basketball Champions as they defeated Stayton High School to advance to the OSAA 4A State Basketball Tournament held in Forest Grove, OR March 9-11. This is the first time since 1989 a Marshfield girls basketball team has participated in the state tournament. The Pirates will play Baker City High School at 8:15 PM at Forest Grove High School, Thursday, March 9.

The game will be broadcast on KMHS radio 91.3 and you can find the game by going to the KMHS website link and click on the live stream option.

GO PIRATES!

Marshfield sent two Oregon Battle of the Books teams to the regional tournament in

Roseburg on Saturday and they did very well.

Our 8th grade team, consisting of Allison Coplin, Dani Ebenal, Natalie Goerring and Lindsey Putman, did very well in pool play and made it into the quarter finals before losing in the single-loss elimination tournament.

The 9th-12th grade division team, consisting of Deonne Cotell, Michael Ebenal, Courtney Jeffs, Zoe Lockhart and Kierstin Martin, played exceptionally well on Saturday, advancing through pool play, the semi-finals and played for the regional championship. Unfortunately, they lost to North Bend in a very close match, but the top two teams in the region advance to the state competition. This is the first time in the six years MHS has been participating in OBOB to have a team advance to the state tournament. They will be playing in Salem on Saturday, April 8. These students (and their teammates who traveled with them but did not play on Saturday) are THRILLED about their accomplishment.

Key Club is giving staff and students the opportunity to express their ideas and concerns. Starting Monday, February 27, there will be a white suggestion box in front of the main office. Key Club members thought by having a suggestion box it would be a way for staff and students to air out their views, suggestions, complaints or any other information they deem necessary for the school administration.

Key Club members will come up with the "Topic of the Week" - Simply take out a suggestion form located on the front of the box and write down your opinion to the question and put it in the top slot on the box. At the end of the week, Key Club members will meet and discuss your comments. Then two student Site Council Representatives will share the results with Mr. Howard where he will share them with staff. Also, your feedback will be aired on the announcements and we will post them in the main office window. Students who truly understand the use of a suggestion box will always utilize it appropriately. The goal of a suggestion box is to improve our school environment. We value your feedback! **The question of the week is: "How can we improve school spirit here at Marshfield?"**

On Friday, April 21 "Get down & dirty" and help us plant native, coast strawberry for a ground cover in the Marshfield Pioneer Cemetery from 10 a.m. to 3p.m.
