5th Annual Coos County Father Daughter Dance

At The Red Lion in Coos Bay

5:30-9:00 Saturday, April 29th. Tickets available at: eventbrite.com for \$10.50 a person.

Our annual Earth Week Recycling Competition is now underway! If you have any old cell phones, used ink cartridges, or rechargeable batteries that no longer charge, bring them in to ANY SCIENCE TEACHER for recycling! Cell phones may have cracked screens and do not need to still function. Donations will be tracked, points awarded, and one grade will win ice cream popsicles for contributing the most to be recycled. Donations toward the competition will be accepted this week only, so create a personal reminder to bring

them to a science teacher soon! Let's work together by helping the environment while earning a treat!

HAM radio is a tool that allows people in different cities, states, and even countries to communicate with one another without use of cell phone towers or satellites. However, only those who have special licenses are permitted to legally own and use them. There will be a special HAM radio training offered right here on the MHS campus THIS Thursday. From 3:30 to 5:00 we will have several HAM radios available for us to practice with and learn about. This training is hosted by our CERT club, but all CERT meetings are open to any and all students and staff interested. We hope to see you in Mr. Hill's room at 3:30 THIS Thursday!

By popular demand, Key Club will be selling their "Flower Pops" during Earth week at lunchtime for .25 or 5 for \$1.00. Each flower is made from some kind of recycled paper. Also at lunchtime, Key Club will be encouraging everyone to register for one of their Earth Day Events through SOLVE. On April 21, you can volunteer at the Pioneer Cemetery and plant coast strawberries and on April 22, the South 10th Street Park will be hosting their 1st Earth Day Clean-up. Volunteers will receive a voucher and be treated to a taco lunch hosted NW Natural Gas at their facility in Coos Bay. If you want to volunteer at one of these events, you must register at www.solveoregon.org/get-involved Let's all get involved and show Community and School Spirit!

SENIORS! Your cap and gown order deadline is Friday, April 21st. If you haven't ordered, place your order at highschool.herffjones.com Please call 1-800-442-4696 with questions.
