Site Council  
November 2, 2015

## Old Business:

- a. Current members? (Jennifer B., Shelly M., Travis H., Lori C.,)
- b. 2014-2015 Site Council goals  
(No SC goals were set last year)

## New Business:

- a. 2015-2016 Goals?
- b. Proficiency Grading
  - We had a discussion about the consistency of Prof Grading from subject to subject and from teacher to teacher.
  - There is also some concern that we are transcribing grades differently which may put our graduating seniors at a disadvantage for state and national scholarships.
  - We agreed that we need to look into the PG policy and practices at MHS along with the transcription of our grades.
- c. PAT
  - The committee had several different perspectives on PAT and how it is being used.
  - We discussed the history of Advisory and PAT. Discussed the benefits of both. No changes are being recommended at this time, however, we will continue to monitor it at the year goes on.
  - We also talked about the need to make sure students only have open or free periods 1<sup>st</sup> and 7<sup>th</sup> periods.

- We talked about aligning the schedules between Harding and MHS to allow for more cross enrollment opportunities.

d. Math position

- The math situation was discussed and the need to recruit and retain highly qualified teachers in all of our departments.
- Some concern was shared about the impact the complaint process has had on our district. We need more positive press. Mr. Howard shared that one of his goals this year is to provide the The World Newspaper and KCBY with positive items to report on around MHS and its students.
