Dear Parents/Guardians of 8<sup>th</sup> Grade Football Players,

I am thrilled to begin the process for the upcoming 8<sup>th</sup> grade football season at Marshfield High School. There are some important items that must be communicated with you before the season begins. The first day of practice is Monday August 21 from 9-11 AM. There will be a parent meeting directly following our first practice. I have attached a calendar to this letter for your planning purposes. Marshfield High School's 8<sup>th</sup> grade registration is on Thursday August 24 from 8-10 AM. Our practice will directly follow. Please be aware of practice times for the first 2 weeks. You will notice that practice times will be fairly consistent once school starts on September 5.

Your child will need to get a gold card from the athletic office in Pirate Hall @ MHS prior to the start of practice. Please be conscientious of this, as we cannot allow a student to practice without a physical or gold card. Athletes need 10 practices before they can play in a game. You may contact Sandy Reiber in the athletic office @ 541-267-1440 for further details.

Parents are expected to have a ride home for their child immediately after practice and after games. If you are unable to do so, please contact us in advance to make arrangements. We really appreciate you being prompt in picking up your child so that our coaches can get home to their families as well. I will communicate pick-up times and other important information with you via group texts after I receive all of your contact information.

The coaching staff is looking for parent volunteers throughout the season. If you would like to volunteer your time and help coach, please understand that you must get cleared through the Coos Bay School District. I will have information on how to handle this. Please speak with me directly if you are interested in helping.

It is our goal for every athlete to get playing time in games and for the team to be competitive. Playing time will depend on a number of factors including attendance at practice, effort, and ability to be coached. We want everyone to have an enjoyable experience and to remain on the team for the entire season.

I look forward to meeting with you on August 21 and I hope you enjoy your Summer! Please feel free to contact me anytime. I will always return your phone call if you leave a message.

Thank you,

Mike Seedborg
